

# MDCP

## MONO-DICALCIUM PHOSPHATE

### Use

Phosphate and calcium based supplements to animal nutrition. MDCP strengthens the skeleton and accelerates animal's growth

### Packaging

- In bulk
- 1 000 kg big bags
- Other : available on request

### Characteristics

#### Physical characteristics

Physical State: minigranular  
Appearance: Beige  
pH (10 % solution): 3.3

#### Typical chemical characteristics

Phosphorus: Min 21% (P)  
Calcium: Min 17% (Ca)  
Fluorine: 0.2% (F)  
Humidity: 2.5%  
Soluble Phosphorus in 2% citric acid: 98%
